Ciliegiolo di Toscana IGT

Grape variety: Ciliegiolo 100%

Maturation: 12 months in oak barrels of 750 liter

Characteristics: As the name of this old tuscan grape variety indicates, the Ciliegiolo has an intense cherry aroma, fallowed by hints of leather, spicy tobacco and mint. Juicy on the palate with a nice structure this wine shows his character as an ideal companion to typical Tuscan cuisine.
